

Outpatient Addiction Care *At Elevate Point*

New York Outpatient Care

At Elevate Point, we believe that recovery involves more than just overcoming addiction; it's about rediscovering who you are and creating a life filled with purpose, connection, and fulfillment.

As a leading outpatient drug rehabilitation center in New York City, we offer flexible, high-quality addiction treatment programs, including our PHP and IOP outpatient treatment programs.

These programs allow you to maintain your daily responsibilities, whether that's work, school, or family, while receiving expert care tailored to your personal recovery goals.

Our programs are designed to empower you with the necessary tools, structure, and ongoing support to achieve lasting sobriety.

At Our Outpatient Center

At Elevate Point, we understand that committing to outpatient care is a significant step, and knowing what to expect can help make this transition smoother. Our outpatient rehab programs in New York blend clinical structure with real-life flexibility, allowing you to engage in effective treatment methods while maintaining your daily responsibilities.

We offer a range of services, including therapy, group counseling, holistic practices, and peer support. Our goal is to meet you where you are and support your growth.

Outpatient Care As a Bridge

Our IOP serves as a crucial bridge between comprehensive treatment and the transition to independent living. This program is designed to equip you with a diverse array of essential tools and resources that are vital for sustaining your recovery journey.

Through your participation, you will engage in a variety of interactive workshops, therapeutic sessions, and skill-building activities that focus on developing practical strategies tailored to your unique needs. These experiences will provide you with invaluable insights into managing challenges that arise in daily life.

As you progress, you will gain the confidence and resilience necessary to navigate your everyday environments, whether in social settings, at work, or at home.

Nothing should stop someone from living the life they've dreamt of.
